

Areas where Wi-Fi can be used

Wi-Fi devices are installed on commercial facilities next to the side-walk areas highlighted in blue on the map below.

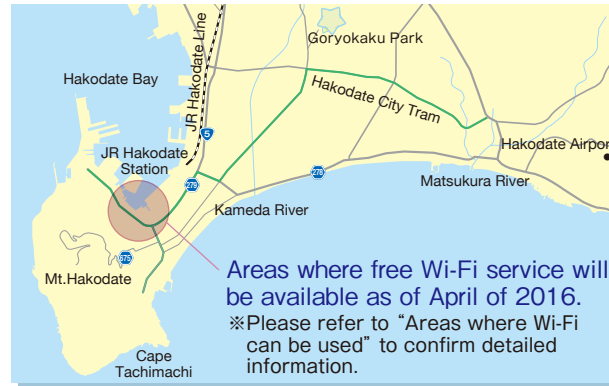

Wi-Fi area sign

Wi-Fi service can be used around the areas designated by the Wi-Fi area sign shown below.

Wi-Fi service in Hakodate

Hakodate has been expanding its Wi-Fi service areas so as to provide a comfortable environment for foreign tourists. Free Wi-Fi has been available in the Motomachi Area since April of 2016. Please make good use of it when visiting sightseeing spots or when shopping in the city.

We plan to continue to expand the areas where free Wi-Fi can be used, update and enrich information provided on "Travel Hakodate," Hakodate's official travel guide site and improve the convenience of facilities and the satisfaction level of foreign tourists.

Welcome to Hakodate!

Hakodate is an attractive city which has beautiful natural resources, abundant hot springs, an exotic atmosphere and rich tourism resources. We want to give you a hearty welcome.
